

# 50/50 Fundraiser

Nursery, Infant & Juniors School

St Mary's PTA are inviting you to take part in this year's 50/50 fundraiser. Entry involves a one-off payment of £12 to have your name included in the monthly draws for each month of the school year. Funds collected are split 50/50 with half of the monies raised being retained by the PTA to support future activities and resources for the children in school, and the other half going straight into the prize fund!

The prize fund is divided into 12 monthly draws with the September and October draws taking place in November and the July and August draws taking place before the end of the school year. The draw is made in assembly by the children with the winning names being published in the school newsletter. Names of those participating are included in every draw, each month, regardless of whether they have already been drawn.

The amount of prize money is dependent on the number of parents, family and friends who enter the scheme. Remember the more people who enter, the greater the rewards. As an example of a previous year; a total of £1,572 was raised with half going to the PTA and the remaining half into the prize fund.

If you would like your family to take part in this effortless fund-raising scheme whilst being in the chance to have some fun, please complete one slip per entry. Deadline for participation is **Friday 6<sup>th</sup> October**.

### Payment Options:

- via cash or cheque addressed to St Mary's PTA (Carshalton). Place the monies and form in an envelope marked for PTA attention.
